Mr. Anthony introduced a bill incorporation pany, with a capital of \$10,000,000, to construct tunnels under the Mississippi and Ohio rivers, to be used for connecting railways centering mear their junction. Among the incorporators named are Thomas A. Scott and J. N. McCullough, of Pennsylvania; J. Pierpont Morgan, W. S. Rosecranz, H. G. Marquand, of New York; A. E. Burneide, of Eliode Island, and N. B. The unfinished business, being the legislative, executive and judicial appropriation bill, with then proceeded with, the question being on the motion of Mr. Sprague, to reconsider the vote passing the Morrill amendment.

HOUSE .- After our report closed, the case of the contumacious witness Jos. B. Stewart, was disposed of as stated elsewhere in THE STAR.
On motion of Mr. Banks (Mass.), the consideration of the Senate bill to amend the act re-organizing the diplomatic and consular system of the United States, which had been made the special order for to-day, was made the special

order for Thursday next.

The House then went into committee of the whole on the annual fortification bill; which was considered and ordered to be reported to the House without amendment. Among the items in the fortification bill are the following: For fort opposite Fort Delaware, Del., \$35,000; for Fort McHenry, Md., \$25,000; for Fort Poete, Md., \$25,000; for Fort Washington, \$25,000; for

\$1,999,000. The committee then rose and the House pa the bill, and at 4 o'clock adjourned.

Tate, living near Greenville, aged respectively six and four years, were playing together in room in the house, when Minnie's clothing caught from the fire, at which the little girl very naturally became frightened, screamed and attempted to escape into the open air. But Walter, with a presence of mind remarkable for a child, instantly shut the door, and, seising the dress of his little sister, so twisted it in his hands as to completely extinguish the fiames. His hands and arms were badly burned, but doubtless he saved the life of Minnie. On being asked why he shut the door, he replied that he had heard semebody say, "when your clothen take fire, you should not go into the air."— Staunton (Va.) Spectator.
